

Someone once said that whatever we possess becomes of double value when we share it with others. It is so very true!

We would like to thank all our sponsors and all those who donated items, money or their time and helped us to organize the October fundraising lunch. We are pleased to inform you that we were able to raise 36 000 SEK for Tyresö Women's Shelter and it was possible mainly owing to your kindness and generosity. Please accept our sincere thanks!
